He was born in Johor Bahru and is now married with six children. He received his education at SMK Agama Johor Bahru and furthered his studies at Universiti Sains Malaysia in the field of Industrial Technology. After obtaining his first degree, he worked at Shimano and Wheels Electronic Mfg Sdn Bhd as a Quality Engineer.

In the field of training, he first got involved while working with AMMG Training Services as a facilitator. With the intention of fully engaging in the training industry, he co-founded **Vision Consultant** with two of his colleagues in 2003. Later, he resigned from his engineering job and dedicated himself to training full-time. Currently, he also serves as a **Board Member of Vision Group** and is the **Director of Zulfa Motor**, a vehicle rental and tourism business.

In training, he is a certified trainer under **Pembangunan Sumber Manusia Berhad (PSMB)** (certificate no. **TTT/6469**). He is skilled in various topics, including **Motivation and Team Building, Entrepreneurial Motivation, Effective Supervision, Clerical/Non-Clerical Development Programs, Student Motivation, Creative Memory Techniques, Mind Activation Programs, Personality Analysis using Biometrics**, and many others.

His experience includes conducting training courses across Malaysia and also for participants from Singapore, covering both government and private sectors. Some of the departments and organizations that have participated in his programs include **KEMAS, Department of Agriculture, Ministry of Rural and Regional Development, State Development Office, Johor Religious Department, Inland Revenue Board of Malaysia (LHDN), UTHM, UTM, GIANT, Perwaja Steel, Toyota Logistics, Firstwide, Proton**, and many more.
